“ Martha it was such a pleasure years ago to meet Billy when he attended his first Weeks reunion in Cullman, Alabama. He and I had such a love of genealogy. Billy had such a sweet spirit and always kept in touch and was eager to share his research. I was so saddened to read (today June 4, 2018) of his passing. Billy has told me of his health issues and I prayed for a physical healing. Thankful that God gives us eternal healing where there is no more pain and no more suffering. We miss him now, but, oh what a homecoming reunion we will have. God Bless You. Becky Bates Harris

“ Billy Weeks, a gentle soul. Patient beyond measure, interested in how the details fit together. I learned something new every time I talked with Billy, and he was making new discoveries every day. He kept it all connected. I miss him already.

“ I am so sorry to hear of Billy's passing. I enjoyed our emails to each other doing research on several different things. He was so gracious to share information with me. You will be in my thoughts during the days ahead.

“ I am so sad to hear Billy's left us. We had reconnected in the last few years and I was glad to know he had moved back to Louisville. He was a special person, kind and tender-hearted. I will miss him.
