“ Charlotte was a good friend. I will never forget helping me when I needed practical hours almost 2 decades ago when she was principal at Louisville Elementary. She was so sweet and kind to me and helped me immensely. She was always willing to talk and catch you up on what was going on around town as well. Sweet soul she was. She will be missed. No more pain. And diamonds in her crown for all those sweet little children she helped throughout her career as an educator --- RIP, Love Dr. Brock Rogers

“ Charlotte was a sweet and loving person. My fondest memories are of how much I picked on her about having a boyfriend. She took it all as humor, just as it was intended. She was a remarkable and accomplished educator and I respected her for that, having been a teacher myself. She was an honorary Aunt for my nieces, Bailey Hartness Coward and Nan Hartness and I appreciate her taking an interest in their lives. I will miss you, Charlotte. I'll never forget having a coke ready for you as soon as you got off the field with the band. May your family have peace.

“ I remember Charlotte as a beautiful, smart, and friendly person whom I always liked. She was a talented young person and used her talents as she got older to become a successful woman. I had not seen her in years and about 10 years ago had the opportunity to work with her in regards to Louisville Public School programs. Praying for her family as I know she will be missed.

“ She was one of the few popular girls that ever showed me any kindness, or seemed to appreciate the person that I am; others merely looked down their noses at me. She LISTENED, really LISTENED. What an amazing spirit! — I have never forgotten the purity of heart she showed me, nor will I ever. I am so sorry for the family's loss! Her precious daughter should know her mother was an incredibly gracious lady to those of us for whom graciousness was in short supply. God rest your precious soul, Charlotte. Rest easy in His arms and know “you have done well my good and faithful servant.” I look forward to hugging your neck and kissing you kind and precious face in God's Kingdom.

“ Mrs. Nabers was principal at the LES when my oldest attended. She was always so pleasant and willing to solve any problems that may have encountered with my son whether he was at fault or not. I am so saddened by her passing. I'd like the family to know they are in my prayers. Mrs. Nabers was a great person. I didn't know she was ill.
