“ For many years I rode the school bus with Larry. He had a great sense of humor. He kept us going on the bus. He never failed to speak and always smiled. My prayers and condolences to his family.

“ The one memory that sticks out the most... I remember washing that old blue truck with him one Friday and then loading up in the back later that evening with my cousin Tyler. Me, him, uncle Larry, and aunt Carolyn would creep down ALL the backroads. Whether we were in the truck or on four wheelers and three wheelers, we rode all the time. We would do that often. And I'll remember all those times the most.
