“ Mrs. Lucille was such a wonderful lady. I fondly remember her reading poems and remembrances during our Kilpatrick family reunions at Lake Tiak'okata. She was a big part of what made Noxapater a special place for me to visit as a young boy. May we all find solace in knowing she is now with the Lord in all his glory.

“ This is a great loss of a great CHRISTIAN lady, my first Cousin. She was surely dedicated to service to her student's, her relative's and especially, to Jesus Christ, her Lord and Savior. We so enjoyed visiting with her over the years where she took us to all of he Old Home Place's and provided our family with lots of History of the family. We know that she is with the Lord Jesus now and want the entire family to know that we have them in our prayers. She is now with the KING!

“ Please know our prayers are with you both now and in the days ahead!! Mrs. Lucille held a special place in our hearts! From the time we came to Noxapater as ministers of music/senior adults, she loved us as family! Although her back was broken, she made every effort to contact us to make us feel welcome! She graciously shared from her teaching resources with me as I taught in Noxapater. She was truly a jewel whose legacy will live on in the hearts of all who knew her. David, our family and I are blessed beyond words because our lives were touched by her life in so many ways. Wishing we could be with you in person, but although we are separated by miles,our love and prayers are with you! David & Elizabeth Sumner

“ Mrs. Lucille was one of the most genuine Christian women that we have ever known. She loved her Lord, her family, her church family, her pastors, and her many friends. She was a caring and kind individual who was content with what she had and never wanted more and more of this world's goods. She was a wonderful neighbor who loved us , and showed it many times in what she did for us. Wayne was her pastor at Noxapater Baptist Church for almost 9 years, and she prayed often for us and supported us greatly. I know you will miss her, Lillian, but you have wonderful memories of your precious mother. We will be praying for you and the other family members. We loved Mrs. Lucille tremendously!
