“ Paula and I were close friends in high school and afterwards. Scotty and Lamar and I did many fun things together but the most interesting thing Paula and I did was sneak onto Camp Shelby during their war games. Paula kept me laughing. She stopped by my house a couple of years ago during a visit to Louisville. Sadly I felt like even though we talked of her coming again we knew we'd never see each other after that day. We kept in touch on Facebook and paying games. My prayers are with her family whom she loved dearly. Fly high Paula, I'll see you on the other side. I love you dear friend. I would have been at your celebration of life if I had known before today.

“ We go back as kids at Murphy Creek Church. We were very close and talked every week. I talked to her this pass week until Saturday nite she couldn't talk. She stayed a few days last summer with me and we had a great time catching up on things. She will be missed.

“ Paula was a great encourager and help to our ministry, Believers Because... Ministries, especially when we served each summer in the North Delta. She was also a friend and prayer partner. When I think of Paula, I think of her enthusiasm and energy powered by her love of the Lord! She loved others sincerely and fiercely and delighted in serving the Lord. That bubbling fountain of zeal and love will be greatly missed until we see her again. Our prayer is for each of us to love the Lord more deeply and love others better because of her example and influence.
