“ My sincerest condolences go to the family of Pete Arnold. It saddened me to hear of his passing. I knew him through my place of employment in which he would call and never ended the call without us having a big laugh. Once I came to his office and I didn't tell him who I was and I told him I was looking for housing. After I revealed who I was, we, again, had the biggest laugh. May GOD continue to give you comfort as your loved one has departed this life.

“ Mr. Pete has been a great friend of mine since I moved back to louisville 4 yrs ago. He used to tell me stories on his experience with his first pair of contacts because I was afraid I wouldn't get used to mine. He always gave me words of encouragement or told me jokes in good humor. He will forever be missed and loved. May God bless his family.
